Event Information:

The DodgeBowl is designed to be a safe space for 5th-8th grade students to compete, engage, and build relationships with one another all through the fun of dodgeball. Students are invited to gather a group of friends, create their own team name, create their own unique uniforms and compete for the honor, respect, and bragging rights of winning the first DodgeBowl tournament!

Below, you'll find space for team registration. Every student participating must have their information in one of the player spaces and have an attached medical release form filled out in order to participate.

The cost of the event is team-based. There is one fee for the entire team. You can break that up however you choose, but the full event cost is due upon registration. If you do not have a full team upon registration, you can always add teammates later as long as they have turned in a medical release form.

Parents are invited to come watch or drop students off. We are so excited to launch this new event in the Coachella Valley and look forward to an amazing day of fun, connecting, and dodgeball!
